

**WORK-BASED LEARNING (WBL) | DEVELOPING SKILLS FOR CAREER SUCCESS!**

# Office of Facilities Management (OFM) Apprenticeships Program

*"Earn While You Learn"*

## Description

High School students enrolled in select Trades & Industry courses have access to a paid work-based learning (WBL) opportunity sponsored by the FCPS Office of Facilities Management Apprenticeship Program. Students enroll in specialized courses while employed by FCPS OFM, a registered organization in the Virginia Department of Labor and Industry (VDOLI). Upon high school graduation, work experience combined with coursework can be transferred to a Registered Apprenticeship program.

## Trades Work Experiences can include:

- Heating, Ventilation and Air Conditioning (HVAC)
- Plumbing
- Electrical
- Structural Trades – Carpentry and Flooring
- Cabinetry
- Welding/Sheet Metal
- Outdoor Power Equipment Repair – Diesel and gas tractors, snow plows, mowers, and small engines

## Student Eligibility

- Available to work hours between 6:00 am – 9:00 pm
- Students 16 years or older
- Enrolled in related Trades & Industries courses
- Submit a Resume
- Must have transportation to and from the five different satellite and support centers.

**For additional information on how to apply, please visit [bit.ly/OFMapp](https://bit.ly/OFMapp).**

**Application Deadline: June 1, 2021**
