

Dear interested candidate,

Cyprus Air Heating and Cooling is family owned and operated since 1967 based in Alexandria, VA. Our warehouse is in Lorton, VA with 3 additional gas fireplace showrooms in Alexandria, VA, Falls Church, VA, and Rockville, MD. We are looking for highly motivated personnel to join our team to serve the DC, Maryland, and Virginia Metropolitan area. We have opportunities starting from little experience to intermediate HVAC knowledge. We provide training for each of the listed positions below to help grow and develop your career in the HVAC industry.

Cyprus Air specializes in HVAC and Gas Fireplace installation and services. Free in-home estimate and showroom sales positions available. Overnight and daytime maintenance for commercial restaurant ovens, refrigeration systems, and HVAC filters and belts.

**HVAC and Gas Fireplace Service/Maintenance technicians:**

Lead Pay for intermediate: Per call, \$30 + commission on sales with about 6-8 calls per day.

Training Pay for new hires and little experience: Per call, \$20 for a couple weeks.

\*Additional pay available when advanced/senior level is reached

**HVAC and Gas Fireplace install helpers:**

Helpers with little to intermediate experience: \$15 per hour

Advance helper and Lead installers: Paid by % of install ticket.

**HVAC Sales & Estimates:**

More specifics to be discussed with sales manager and team due to sales structure and pay.

**Overnight and daytime commercial maintenance:**

Lead maintenance technician: \$150 completion of ovens (\$50), refrigeration systems (\$50), and HVAC filters/belts (\$50).

\*Advanced maintenance technician: \$135 completion of ovens (\$45), refrigeration systems (\$45), and HVAC filters/belts (\$45). If you are completing institute requirements, you qualify for Advanced pay.

Beginner maintenance technician: \$105 completion of ovens (\$35), refrigeration systems (\$35), and HVAC filters/belts (\$35).

We look forward to your interest with Cyprus Air. Please contact me below for an opportunity to grow into your career.

Thanks,
