

## LOOKING FOR A LIFE CHANGING SUMMER STEM EXPERIENCE?

**UNITE** Unite is a four week, pre-collegiate summer experience for rising 10th and 11th grade high school students. Held at Virginia State University, Unite encourages students to pursue college majors and careers in engineering and other STEM-related fields through a program of focused hands-on rigorous academics, enrichment, and career exploration.

### YOU'LL GET TO...

- Learn how science, technology, engineering, and mathematics have applications in the real world
- Gain confidence in your ability to participate in STEM activities
- Collaborate and solve problems as a team
- Learn firsthand from college students and professionals how engaging STEM studies and careers can be
- Be better prepared to pursue STEM majors in college and, ultimately, in future careers

### ELIGIBILITY

- Open to high school students. Eligibility varies by location. Visit the website for location-specific eligibility requirements.

### IMPORTANT DATES

- FEB – MAY** | Student application period (varies by site)
- MAR – MAY** | Selected students notified by Unite site directors
- JUNE 20 - JULY 19** | Students participate in Unite program
